

# Improve Safety. Reduce Business Risks. Navigate Vendor Relationships.

**Build a Stronger Foundation for System-Wide Compliance with Vendormate.**

The pressure is on for provider organizations to improve compliance and reduce their business risk. Yet, there's still a disconnect around enforcing vendor adherence.

of health systems insist that all facilities should meet vendor compliance.<sup>1</sup>

of providers register all vendors on their credentialing platform.<sup>1</sup>

of health systems enforce credentialing in non-acute facilities.<sup>1</sup>

say insufficient investment in tools is one of the top reasons they don't enforce vendor credentialing in acute care facilities.<sup>1</sup>

of health systems say limited resources are one of the top reasons they don't enforce vendor credentialing in acute care facilities.<sup>1</sup>

To successfully navigate the countless regulations, leaders need a comprehensive view of compliance, vulnerabilities and opportunities for improvement. However, without adequate resources and tools, this is easier said than done.

## GHX Vendormate. Your Trusted Vendor Compliance Resource.

GHX Vendormate has the resources and tools you need to drive increased vendor compliance. Through a dedicated credentialing team and a comprehensive compliance framework, we will help you with:

### Implement & Optimize
